

Esperion Announces Proposed Public Offering of Common Stock

October 7, 2025

ANN ARBOR, Mich., Oct. 07, 2025 (GLOBE NEWSWIRE) -- Esperion Therapeutics, Inc. ("Esperion") (Nasdaq: ESPR), a commercial stage biopharmaceutical company that focuses on developing and commercializing accessible, oral, once-daily, non-statin medicines for patients struggling with elevated low-density lipoprotein cholesterol (LDL-C), today announced that it has commenced an underwritten public offering of shares of its common stock. Esperion also intends to grant the underwriters a 30-day option to purchase up to an additional fifteen percent (15%) of the shares of its common stock offered in the public offering. All of the shares of common stock in the proposed offering are to be sold by Esperion. The proposed offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

Piper Sandler & Co. and Cantor Fitzgerald & Co. are acting as joint book-running managers for the proposed offering.

The shares of common stock are being offered by Esperion pursuant to an effective shelf registration statement that was previously filed with the U.S. Securities and Exchange Commission (SEC) on April 18, 2025 and declared effective by the SEC on April 29, 2025 (File No. 333-286631). The offering is being made only by means of a written prospectus and prospectus supplement that form a part of the registration statement. A preliminary prospectus supplement relating to and describing the terms of the offering will be filed with the SEC and will be available on the SEC's website at www.sec.gov.

When available, copies of the preliminary prospectus supplement relating to the offering may also be obtained from Piper Sandler & Co., Attention: Prospectus Department, 350 North 5th Street, Suite 1000, Minneapolis, Minnesota 55401 or by email at prospectus@psc.com; or Cantor Fitzgerald & Co., Attention: Equity Capital Markets, 110 East 59th Street, 6th Floor, New York, New York 10022, or by email at prospectus@cantor.com.

The final terms of the offering will be disclosed in a final prospectus supplement to be filed with the SEC.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction.

About Esperion Therapeutics

Esperion is a commercial stage biopharmaceutical company focused on bringing new medicines to market that address unmet needs of patients and healthcare professionals. Esperion developed and is commercializing the only U.S. Food and Drug Administration (FDA) approved oral, once-daily, non-statin medicines for patients who are at risk for cardiovascular disease and are struggling with elevated low density lipoprotein cholesterol (LDL-C). These medications are supported by the nearly 14,000 patient CLEAR Cardiovascular Outcomes Trial. Esperion continues to build on its success with its next generation program which is focused on developing ATP citrate lyase inhibitors (ACLYi). New insights into the structure and function of ACLYi fully enables rational drug design and the opportunity to develop highly potent and specific inhibitors with allosteric mechanisms.

Esperion continues to evolve into a leading global biopharmaceutical company through commercial execution, international partnerships and collaborations and advancement of its pre-clinical pipeline.
