

## Company Overview

Esperion is a small company doing big things. Our innovative team of lipid management experts are committed to leveraging our understanding of cholesterol biosynthesis to develop innovative therapies for the treatment of patients with elevated low-density lipoprotein (LDL-C). At Esperion we are passionately committed to bringing complementary therapies to the hypercholesterolemia space that address unmet patient needs in a way that is “patient-friendly, physician-friendly and payer-friendly.”

Esperion’s corporate headquarters are located in Ann Arbor, MI. The Company offers a competitive salary including a performance-based bonus program and stock-based compensation, a comprehensive benefits package including a 401(k) matching plan and health insurance, and paid time off and holidays.

## Position Title: Senior Director/Director, Investor Relations and Communications

The Senior Director/Director, Investor Relations and Communications will take the lead and work collaboratively with the Manager, Investor Relations and Communications, the CEO and CFO in developing and executing the investor relations strategy for the company. The primary objective of Investor Relations and Communications is to effectively communicate with the investment community (investors, bankers, and equity research analysts) about Esperion and its research and business objectives. This role will have ownership over the development and continuous refinement of external messaging in order to communicate clearly and consistently and to accurately represent and reflect Esperion and the bempedoic acid franchise. This position is available as a remote position from a home-based office based on extensive prior remote work experience.

## Preferred Location: Remote - US

## Essential Duties and Responsibilities\*

- Develop, define and manage the execution of the organization’s investor relations and communications strategy.
- Establish, build and maintain trusting relationships with institutional investors and sell-side stakeholders.
- Actively participate in investor and analyst interactions and manage the Company’s participation in investment conferences, NDRS, including overseeing the preparation of external corporate presentations.
- Maintain consistent communication with the CEO and CFO on the external communication strategy and update senior management on key issues and events that arise.
- Facilitate internal reviews of key messaging, including building consensus amongst senior management on messaging.
- Maintain and communicate competitive intelligence and analysis on industry peers to senior management.
- Effectively manage the utilization of the Company’s external public relations firm.
- Establish and maintain an in-depth understanding of Esperion’s business, its strategy, development pipeline and financial position and be able to effectively articulate these topics both verbally and in written form.

*\*additional duties and responsibilities not listed here may be required*

## Qualifications (Education & Experience)
